

Trinity School Auction 2008

Green Gala – *Sustaining Our World through Education*

YES, I would like to help underwrite the expenses associated with producing this important Trinity School fundraiser!

The Trinity School **Green Gala** is a major fundraising campaign. The auction proceeds go directly to supporting the operating budget of Trinity School, including financial assistance, the maintenance of our beautiful buildings; costs associated with technology; other overhead expenses, and most importantly, the compensation of our hardworking and dedicated teachers. We want to continue to retain the best teachers, and strive to provide them with the tools necessary to ensure the very best educational experience for our children.

With this in mind, we are asking you to contribute to the auction’s underwriting campaign and help offset the expenses associated with producing this important fundraiser. As you will note in the reply section below, there are four levels of support as well as an option to target your giving to a specific auction expense. **Remember, every contribution gets us closer to reaching the auction’s overall fundraising goal of \$140,000.**
